

RADIAL-FLO

Black Orchid Radial-flo fan with UK plug

The Black Orchid Radial-flo is a small and versatile fan ideal for fresh input air and air extraction. Radial-flo is ideal for smaller ventilation systems with short duct runs and low resistance.

Radial-flo casing is manufactured using a durable plastic to ensure a robust fan design. The Blauberg motor is a high efficiency, low energy motor designed for continuous maintenance free operation.

Radial-flo is supplied with a removable mounting bracket for easy installation. When not used, the fan can be almost completely mounted in flexible ducting saving space in your grow room or tent.

Air flow:
up to 340 m³/h

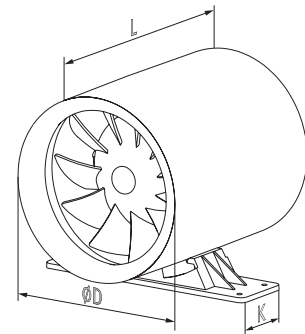

Power:
from 7.5 W

Noise level:
from 25 dBa

DESIGN

- Supplied with 1.8m power cable and fitted UK or EU plug.
- Specially designed mixed-flow impeller ensures high air capacity and low noise levels.
- Protection rating IPX4 and equipped with overheating protection.
- Low energy consumption from 4.5 watts.
- Blauberg German Motor.
- Five year Black Orchid warranty.

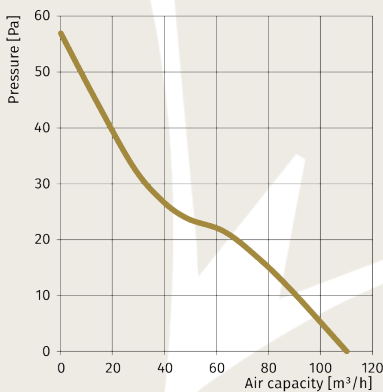

PERFORMANCE

Product	Description	Air Flow [m ³ /h]	Power [W]	Noise Level [dBa]
BO-RF-100-UK	Black Orchid Radial-flo 4" with UK plug	110	7.5	25
BO-RF-125-UK	Black Orchid Radial-flo 5" with UK plug	215	12	33
BO-RF-150-UK	Black Orchid Radial-flo 6" with UK plug	340	22	39

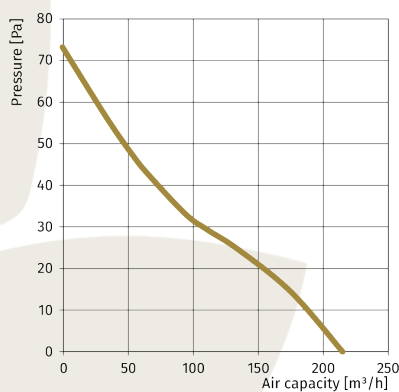

DIMENSIONS [MM]

Product	ØD	L	L1	Weight [kg]
